1.MH_collection_bathroom

Design. Cantoni

A stylistically-impeccable formal research for the MH lighted mirror wisely mixes elements of classicism and modernity to create refined spaces that are surprising but comfortable

1.MH_collection_detail

Design. Cantoni

Mirrors with direct and indirect lighting in silvered-back float glass enclosed in an anodised aluminium frame with convex profile capable of spreading the emission of RGB backlight folding away the inner wire with a 180° range. Unique pieces combining design, technological innovation and functionality Custom and on-demand dimensions and finish.

2.SP_collection_bathroom

Design. Cantoni

The SP collection of mirrors is the point of arrival of a conceptual and sensory journey that winds through metals, reflections, lights, volumes and technology. Custom and on-demand dimensions and finish.

2.SP_collection_detail

Design. Cantoni

In the SP mirror collection the ideal light reception on the face is guaranteed by the 5° splaying of the frames. The opal lenses diffusing the I-light light enrich with reflections the polished geometric surfaces of the frame in aluminium. Custom and on-demand dimensions and finish.

3.MDE_collection_bathroom

Design. Cantoni

The MDE collection encases countless hours of study and research on the refraction of light. Side by side modular elements. Pre installed rear coupling system. No heat emissions. Low power consumption, I-light system

3.MDE_collection_detail

Design. Cantoni

Wall mirror with I-light diffused lighting in silver-backed float glass with 3.5-cm (1,4 inch) silver anodised aluminium linear profile and adjustable light intensity. Squared and rounded shapes.
